Ten Day International ‘Tat Tvam Asi’ Spiritual Retreat (*Amanaska Yoga*):

In Feb 2017, there will be a ten day Intl Spiritual Retreat (residential, as well as for day scholars) on ‘Life-Transformation through self-Knowing’ (*Amanaska Yoga*). It will be in the heart of the city of Chennai. The course is designed and taught by Sankara Bhagavadpada.

1. It is an Intl Retreat, primarily in English. Attempts are being made to bring this very unusual course within the reach of Tamil and Telugu speaking seekers. This is achieved through simultaneous translation into Tamil and Telugu through the technical support of an excellent Translation System.

2. The teachings (in English, as well as in other languages) will be delivered directly into your ears, through high quality headsets, connected to the ‘Translation System’.

3. Apart from listening (*Sravana*) to the teachings coming into your ears; you will be given time to contemplate (*Manana*), and time for abiding in the *Atma* (Meditation or *Nidhidhyasana*).

4. Then there will be small group discussions and whole group discussions, to facilitate assimilation of the teachings on self-Knowing.

5. The Transformative Process of self-Knowing will be systematically taught, so that, you understand, assimilate and gain mastery over it, through your intent, dedication and practice. Once this milestone is crossed, you have access to limitless Inner Freedom, Clarity, Intelligence and Joy.

6. Our varied human problems: (i) boredom, (ii) loneliness, (iii) fear, (iv) lack of self-confidence, (v) inability to face failures, (vi) all sorts of sexual problems, (vii) humiliation and emotional hurts, (viii) death and disease, (ix) conflict, (x) guilt, (xi) wandering attention, (xii) comparison with others, (xii) despondency and depression because of unfulfilled ambition; (xiii) anger and hatred, (xiv) hypocrisy as a way of life, (xv) dishonesty and corruption, (xvi) infidelity in relationship – every one of these problems will be enquired into in great depth, to understood, through self-Knowing, their self-same common cause and common ground, which is the self.

7. The troublesome self. So this self has to be understood, calmed and silenced. Then there will be true freedom and salvation, inner and outer peace. This is
the actual process of the Retreat. Knowing of the common cause: the self, will happen through the process and power of the Choiceless Awareness of What Is, which we have called Amanaska Yoga, for various reasons. ‘Choiceless Awareness of What Is’, is the original name given by the master Sri J. Krishnamurti.

8. Beyond, self-Knowing, the time-tested three stages of the Hindu meditational process of Shravana, Manana, Nidhidhyasana will be followed.

9. We urge you to attend this Retreat, so that gaining the priceless jewel of self-Knowing, you, become Stitha Prajna, as described in Chapter II of the Bhagavad Gita, and you even unknowingly and innocently enter into the kingdom of Self-Realization. This is the answer to every human problem.

10. If, you are a spiritual seeker or a mumukshu (seeker of moksha), or are about 60 or 65 years of age, or have had misfortunes in life, which you could not assimilate, or are seeking to end sorrow in your life, or have a thirst for Peace, Clarity and the Divine, then, this Retreat will help you in your search.

Success will depend on your sincerity, dedication and intention. This is fundamentally a spiritual journey beyond the milestone of faith.

11.There will be a Yoga Lesson between 6:15am and 7:30am, every morning. The approach (called ‘Panchaasya Yoga’) to Yogasanas and Pranaayama is that developed by the Yoga master, Subramanian Kumar (Tampa, Fl, USA).

13.Timings are 9:00am to 6:00pm.

15.Such of those Indian participants (coming from other cities of India) who wish to be residential participants, may specifically mention their request, so that the booking at the Hotel may be finalized.

16.Every year, some dedicated sincere teachers, or individuals who have done selfless and significant work, as masters and specialists, for the welfare of the world are invited for the Retreat as honored guests of the ‘Tat Tvam Asi’ foundation.
